OUR EXPECTATIONS: You must have a private teacher, and be **actively studying**. You are probably between 12 and 20 years old, but there may be exceptions. We expect that you have talent, *plus* more-than-average drive and commitment. There *must* also be **financial limitations** that prevent you from either purchasing or renting a quality instrument at this time.

YOUR CURRENT CELLO: Describe the cello you are now using (estimated value, condition, make, age).
Replacement value of cellos from CCF cellos ranges from \$6,000-\$25,000. Do your requirements fit this range?

CAREER GOALS: Describe the role of the cello in your life and your goals in music. Include information regarding years of training, teachers, and musical activities to date. This answer should be at least 2 paragraphs in length and needs to be printed clearly on the back, or typed on an extra sheet. (We do not require that you seek a profession in music.)

VIDEO RECORDING: Please send us (via e-mail files, YouTube link, or regular mail) a recent unedited recording of solo performance and indicate the date, location, and instrument used. The recording should be 15-20 minutes in length and include two contrasting works (e.g. a fast and slow movement from the Bach Suites, and a concerto movement.) A home video is adequate. Please consult with your teacher before recording.

TEACHER RECOMMENDATION: Please have your teacher mail or e-mail us a letter that addresses your talent, need, etc.

FINANCIAL RESOURCES: We are aware of the costs of musical training. If you are under 21, please have a **parent or whoever is financing your studies** add a statement about why you cannot afford a cello that suits your talents. Add additional sheet if needed.

ADDITIONAL INFORMATION: You may attach additional pages or send via e-mail as needed.

***APPLICATION FEE: \$50 · PLACEMENT FEE \$150 · LOAN \$200 per year · 1st year and placement due at time of loan**
